

## **Notice to Customers**

### **KYC Updation – Urgent Attention Requested**

At the outset we extend our thanks to your continued patronage!

We are observing that Work Permits are being issued for short periods of 3/6 months and require frequent renewals. As a result, our customer's accounts are becoming KYC non-compliant frequently. To enable us to provide seamless service, we request our esteemed customers to submit their latest Work Permit to your branch immediately, in case not submitted the same after renewal.

For Periodic Updation, Customers are requested to submit a copy of their latest Passport/ Work Permit/ NID for rendering seamless service.

Please note that non-submission of the latest documents may result in debit freeze of the account till submission of latest documents.

We look forward to your cooperation to serve you better.
