

Dear Valued Customers,

Please be informed that our SBI Travel Cards are expiring on 31st October 2020.

As per the Terms & Conditions of SBI Travel Card, upon expiry of the validity period, the STC card holders are advised to surrender the original card to the Branch and request for issuance of a new card.

As such, we request all card holders to submit application form for cancellation of the old card and issuance of a new card to the branch or mail request form to care.mv@statebank.com & sbimale.recon@statebank.com

Furthermore, please be advised that any available funds in the expired card will be automatically transferred to the new card issued.

When the new card is ready for collection customers will be informed through SMS and registered mail as per our records. Additionally, customers are advised to collect the cards from the Branch mentioned in the email/SMS communicated.

Customers who wish to collect their card from any other branch can notify us through a request letter.

Note: Charges and fees applicable to SBI Travel Card and its uses are detailed in the schedule of charges. All charges and fees are subject to change at Bank's sole discretion.

Thank You
